

STORMWATER TREATMENT DESIGN CHALLENGE
Design Proposal Form

Name _____ Date _____

Attach a sketch of your proposed design for a stormwater treatment system that meets the specified criteria and constraints.

Provide a brief written description of your sketch. Be sure to describe all parts of your proposed design.

Will you need any supplies that are not listed on the approved list? If so, what will you need, and how do you plan to get it?

What will your system cost? (Use the **Parts List and Cost Analysis Worksheet**.)
